

Camberwell Hockey Club

Women's Section

Vision & Mission

The Women's Section of Camberwell Hockey Club is a safe and supportive, community-focused organisation that provides an environment for all women and girls to participate in sport to the best of their ability.

We are passionate in our commitment in ensuring Camberwell Hockey Club provides an exceptional experience for our members. We encourage skill development, fitness, fair play and teamwork in all our actions, on or off the field.

Our 2016 Playing Goals are:

- to be inclusive of all ages and abilities,
- to realise individual & team potential, and
- to field successful sporting teams of players who uphold our Code of Conduct.

Our 2016 Objectives are

- to grow our membership
 - o through the successful transition from our Juniors, and
 - o by attracting and retaining new players to our club
- to support and nurture identified talent and younger players to their fullest potential
- to build a level of player stability within teams over the course of the season, while maintaining sufficient flexibility
- to develop every player to the best of their ability
- to maintain a balance of experienced players and youth in each team (where possible);
- to have the most competitive team for the grade being played
- to improve communication within the club and engagement of members both on and off the field
- to increase the number of players gaining coaching experience and umpiring qualifications
- to provide numerous opportunities for our members to fundraise, to socialize, and to promote our club within the local community.
